Our Company Background & History

公司背景&历史

Far East Import Export has been established since 1985. We specialise in the import and export of tropical fresh fruits, frozen fruits, canned fruits, cut fruits, fresh vegetables, frozen seafood and exotic birdnest. We are one of the leading companies in the fruits export industry of Malaysia. We export fruits to countries such as Hong Kong, Singapore, Saudi Arabia, United Arab Emirates, Canada, Taiwan, Australia and most of the European countries.

Company Mission

公司使命

Our mission is to get everyone know our products, distribution through all over the world, to provide our customers with a level of product quality, service and competitive pricing which exceeds their expectations. We act as a team with our customer, suppliers and staffs. We value long term partnership and business relationship. WE CARE, WE SHARE.

Brand Promise

品牌承诺

Our vision is to let everyone enjoy our products and a recognized brand all over the world. Far East is adopting own production, acquisition for expansion and modern marketing strategy to network around the world. Our brand promise will be professional and responsive, ensure adequate and quality assurance.

Brand Equity

品牌资产

Our company's vision is to be professional in everything we do. We will not compromise on quality and we will always meet and exceed our customer's needs for realibility, competitiveness and promptness in service. Futhermore, we have in place a wide marketing network and qquality control processes throughout our production, packaging, storage and delivery value chains, supported by appropraite back up facilities. We undertake to produce and deliver high hygienic standars and healthy food at all times.
